

12 for 2012 – Event Sponsorships

In an attempt to bring more educational and networking events to our membership, MnRA is hosting several events throughout the year. In order to have successful events, accredited speakers and appropriate accommodations, we need to secure investments by our members. As you all know we are a non-profit, member supported association, and we need your assistance to accomplish our goals of growing and enhancing our organization. Including our board meetings, we are hosting 13 events this year. These events will feature such speakers as Mary Meehan from Panoramix Global, Sarah Sladek from Limelight Generation, Bill Murray from Eagle Learning and many more. There will be room for 100 people at each event and depending on your sponsorship level you will have access to each and every one of them. Below is a list of the various sponsorship levels available for you to support our association.
